CV 120-087

ORDER

After a careful, *de novo* review of the file, the Court concurs with the Magistrate Judge's Report and Recommendation, to which no objections have been filed. Accordingly, the Court **ADOPTS** the Report and Recommendation of the Magistrate Judge as its opinion, **GRANTS IN PART** Respondent's motion to dismiss, (doc. no. 11), **DISMISSES** Petitioner's ground four claim for insufficient evidence at trial for failure to exhaust, and **ORDERS** Petitioner, within fourteen days of this Order, to either (1) dismiss the petition in its entirety so that he may present to the state habeas court his unexhausted claim for ineffective assistance of appellate counsel; or (2) notify the Court of his preference to proceed in this Court only with respect to the remaining exhausted claims. If Petitioner fails to respond, the Court will assume he wishes to dismiss this petition so that he may present to the state habeas court his unexhausted claims.

SO ORDERED this 30th day of November, 2020, at Augusta, Georgia.

J. RANDAL HALL, CHIEF JUDGE
UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF GEORGIA
